SEPARATION QUALIFICATION RECORD

SR 600-440-1

This summary of preservice experience and military qualifications is given to personnel upon separation from the service. The information contained herein was taken from Army records and supplemented by a personal interview. The purpose of the record is to aid in appraising the individual's qualifications for civilian employment or schooling. It may be presented to prospective employers, representatives of schools or used in any way that will assist the individual in making a suitable civilian employment adjustment.
