Primary Maker Sophia Woodhouse

Medium Grass woven on a loom with a cotton warp; wired edge

Description Bonnet made of natural colored grass woven on a loom with a cotton warp, with tapestry inlays of greenish grass in heart-shaped motifs. The brim is 6 3/4 inches wide and only slightly upturned from the crown. A two-inch woven grass "skirt" is stitched under the crown at the back of the neck. The outside of the brim is decorated by intertwined loops of grass; the brim edge is wired to hold it in shape.
