

Basic Detail Report

Title Woman's Garters

Date about 1790

Primary Maker Unknown

Medium Embroidered satin, metal, silk and thread

Description Pair of embroidered white silk garters with silver buckles. Half of the length of the garters are tambour-embroidered with yellow and pink flowers and green leaves. The other section consists of seven narrow metal springs, covered with silk to produce an elastic effect. Buckle opening. The silver-tone metal buckles are stamped with a design of a basket of flowers.

Dimensions Primary Dimensions (height x width): 12 x 1 1/4in. (30.5 x 3.2cm)
