## Title Appliqué Quilt

Date 1850-1860

Primary Maker Nelson Barker

Medium Appliquéd cotton

Description Appliqué quilt in an Oak Leaf and Reel pattern variation. The quilt consists of a top of plain-woven white cotton, batting, and a white plain-woven cotton backing; these three layers are joined by a quilted pattern. The top has sixteen appliqué blocks, each consisting of a geometric design in red printed cotton, or calico, surrounded by four oak leaves in green calico. Each block is surrounded by a pair of undulating quilting lines. Each side of the quilt has red calico piping. Condition: The top and backing have scattered medium and dark brown stains. There is one dark brown stain through the top and backing. One stain on the backing has resulted in a hole in the fabric.
