## Basic Detail Report

## Title Tray

Date 1848-1865

Primary Maker Gorham & Company

Medium Cast coin silver with engraved decoration

Description Cast coin silver tray consisting of a shallow well, curved sides, and a narrow rim. The rim has a band of projecting lobes, each surrounded by an arch and flanked by a narrow projecting line. The center of the tray is engraved with the initials "WG"; this is is surrounded by four concentric bands of finely engraved straight and undulating lines. The tray is lightly scratched on the top and on the underside.

Dimensions Primary Dimensions (diameter): 10 1/8in. (25.7cm)
