Title Woman's Hat

Date 1955-1960

Primary Maker Gloria Holtsinger

Medium Machine-woven synthetic straw, with unidentified metal ornaments,
synthetic fiber netting and woven tapes

Description Navy blue woven plastic straw, with very low crown surrounded by
twisted "straw" ropes of blue and white, studded with gold stars. The brim is
straight across the back at the base of the crown, curving forward and then
gradually widening upward so that it is two inches wide at the front and looks
something like a bill. The underside of the brim is white straw. Attached to the
front of the crown, under the brim, is a sheer blue netting, hanging with two
loose ends, each gathered into a tassel. The hat is lined with black plastic tulle;
the edge of the crown is surrounded on the inside with a black grosgrain ribbon.
Dimensions Primary Dimensions (height x width x depth): 3 1/4 x 7 1/2 x 9 1/4in.
