

Basic Detail Report

Title Boy's Boots

Date 1992

Primary Maker Robert W. Egleston

Medium Molded rubber

Description Red rubber child's boots, with a keyhole-type buttoned strap for adjusting the fit at the top of each boot. The toes and heel areas of the boots are molded with a grainy texture, while the rest of the boot top is smooth. The bottom edge around the outside of the foot is molded with "BOOTS . BOOTS . BOOTS ." continuously. The bottom of the right boot is molded with "RIGHT <> RIGHT <>" alternating with four chevron stripes. The bottom of the left boot is molded similarly with "LEFT <> LEFT <>".

Dimensions Primary Dimensions (height x width x depth): 7 x 3 3/8 x 8in. (17.8 x 8.6 x 20.3cm)
