## Title Boy's Hat

Date 1875-1900

Primary Maker Lawrence Eddy

Medium Felted wool, with machine-stitched silk binding and hand-stitched leather sweatband.

Description This black felt derby has a rolled brim, that is slightly raised on the left and right sides (approximately 1/2 inch). A 1 1/2-inch grosgrain ribbon serves as a band at the base of the crown. It is stiched into a 3 1/4-inch bow at the right side, appoximately 2 1/2 inches from the center front. The interior of the hat has a sweatband of brown leather at the base of the crown. The interior of the hat is lined with an off-white silk basket-woven fabric. The maker information is printed at the center of the lining.
