

# Basic Detail Report

## **Title Soldiers and Sailors Memorial Arch, Hartford, Connecticut**

Date about 1890

Primary Maker Unknown

Medium Photography; albumen print on paper on cardboard mount

Description Stone retaining walls line the Park River. Grassy lawns are at left and right. Trees and bushes at the right are in Bushnell Park. A utility pole is at the far left. The stone arched Ford Street bridge at the brownstone Soldiers and Sailors Memorial Arch are reflected in the water. The arch has a sculptured frieze and two round Gothic towers.

Dimensions Primary Dimensions (image height x width): 4 3/4 x 7 1/2in. (12.1 x 19.1cm) Sheet (height x width): 5 x 8in. (12.7 x 20.3cm)
