Description Frame residential buildings line a dirt street with trolley tracks. The

house at the left has a gambrel roof, louvered shutters and a board fence.

Some of the leafless trees appear to be elms. A small commercial building with a

sign that may read "LAUNDRY" has a large awning. Part of the brownstone

Gothic revival South Baptist Church is visible at the far right. Utility poles and a

light pole are on the paved sidewalks. Ghost images of figures, blurred from

movement, are at the far left.
