## Title Chemise

Date about 1840-1850

Primary Maker Jane Holcomb

Medium Hand-stitched linen and mother-of-pearl buttons

Description Finely stitched chemise with 1 3/8-inch-wide band forming a neckline yoke, edged with eyelet embroidery. The front of the chemise is a gathered panel over the bosom. The chemise closes at center front with five

# Basic Detail Report

small mother-of-pearl buttons. The button placket on the bosom panel is

flanked with narrow strips of eyelet embroidery. The sleeves are short (eleven

inches) and are set smoothly into the yoke. The sleeve openings are edged with

eyelet embroidery. Ease is provided by underarm gussets. Triangular insertions

in the side seams create flare. The back of the chemise is gathered into the yoke.

The bottom is finished with a 1 1/2-inch hem.

Dimensions Primary Dimensions (length x width across bottom): 41 x 41in.

(104.1 x 104.1cm) Other (width across top): 34 1/4in. (87cm)
