Basic Detail Report

Description Woman's chemise made of plain-woven, medium-weight linen. The

front and back body panels are cut separately. The front is seamed for the entire

length to the right of the center. The back panel is pieced on the right side. The

shape is flared, and the side seams are flat-felled. The neckline is a wide,

rounded square, about 5 3/4 inches deep in front. The sleeves are narrow and

short (six inches). Ease is provided by underarm gussets. The neckline, hem, and

sleeves edges are turned under about 1/4 inch.
