## Title Doll's Corset

Date about 1900

Primary Maker Blanche Parmelee

Medium Machine-stitched cotton, cotton lace, unidentified boning, non-ferrous metal grommets

Description Doll's corset made of very pale pink cotton sateen, edged in coarse, white, bobbin-type lace on top and bottom. The boning is covered by strips of white sateen. Coarsely woven cotton lines the inside back edges of the corset. A tape (now missing) would have been laced through the five metal grommets along each back edge to adjust the corset.
