

Basic Detail Report

Title Pratt & Whitney Machine Tool Company, Hartford

Date 1903-1906

Primary Maker Woodbury Carlton Co.

Medium Drawing; ink, wash, gouache and pencil on heavy wove paper

Description Complex of industrial buildings occupies both sides of railroad

tracks. Some buildings have smokestacks, chimneys, and clerestory windows.

Some have quoins at the corners. Two steam locomotives draw passenger trains

on the tracks. Separate trains of boxcars are nearby. A railroad crossing gate is

closed to allow the passage of one of the trains. Horse-drawn vehicles are on the

streets. Brick walls line the tracks and both sides of the Park River, which is

visible at the left. Trees grow on grassy lawns.

Dimensions Primary Dimensions (image height x width): 23 1/8 x 50 3/8in. (58.7 x

128cm) Sheet (height x width): 23 3/4 x 54in. (60.3 x 137.2cm)
