

# Basic Detail Report

## Title Man's Pants

Date about 1960-1965

Primary Maker Unknown

Medium Machine-stitched wool/polyester and cotton/polyester, with plastic and metal zipper and metal hook and eye, and plastic button, metal pin, and paper tag

Description Man's brown poly-wool pants. The fly fastens with a plastic zipper with a metal slide. A tab of the black twill extending behind the fly buttons on the proper left side of the front. The waistband, which is 1 3/4 inch wide, fastens with a broad, metal hook and eye. There are six belt loops, 1 7/8 inch deep.

There are two diagonal pockets in front, two welted hip pockets in back. The proper left back pocket closes with a button. The back is fitted with darts leading down into the pockets. The legs are straight and measure 10 1/4 inches at the ankle. The waistband and fly are lined with black twill-woven poly-cotton; the pocket bags are also made of this fabric.

Dimensions Primary Dimensions (length x waist diameter): 44 1/2 x 36in. (113 x 91.4cm)
