## Title Petticoat

Date about 1895-1910

Primary Maker Unknown

Medium Machine-stitched and hand-stitched cotton

Description Woman's white cotton petticoat with a drawstring waist. The petticoat has a sixteen-inch-deep flounce which creates a double layer below the knees for extra fullness. The flounce is decorated with two sets of narrow

# Basic Detail Report

tucks, stitched with pulled threadwork. A scalloped machine-embroidered

eyelet ruffle edges the flounce. Underneath the flounce, the petticoat has a four-

inch-deep self-fabric ruffle. The center back opening is 5 1/2 inches deep.

Dimensions Primary Dimensions (length): 33 1/4in. (84.5cm)
