

Basic Detail Report

Title Petticoat

Date about 1900-1910

Primary Maker Unknown

Medium Machine-made cotton

Description Woman's short petticoat of white cotton, fitted smoothly across the front and sides. The center back is open for nine inches and closes with a short drawstring at the waist. Darts fit the petticoat around the front and hips. A five-inch-deep ruffle decorated with six narrow tucks edges the bottom.

Dimensions Primary Dimensions (length): 28 1/4in. (71.8cm)
