Title Infant's Shoes

Date 1963-1964

Primary Maker Christopher Robert Arno

Medium Machine-stitched cotton, with metal eyelets, and unidentified interlining, cotton laces with plastic tips

Description Infant shoes of fine white cotton knit fabric. Open tab style, with two pairs of white metal eyelets laced with white cotton laces with plastic tips. The quarters are bound with white cotton tape. The inside of the shoes are lined with a white, napped material. The soles of the shoes are the same fabric as the uppers. All of the pieces which make up the shoe are bound individually with the white cotton tape and then stitched together, edge-to-edge.
