Date 1855-1870

Primary Maker Unknown

Medium Photography; albumen print on paper

Description Frame houses and a large brick or stone building and leafless trees line a street that recedes into the background. Some of the houses have louvered shutters, balustrades, chimneys, and picket fences. Street lights, probably gas lamps, and paved sidewalks are in front of the houses. Horse-drawn vehicles, blurred from movement, are in the distance. Additional leafless trees are in a large grassy lawn in the foreground.
