Title Employees in Front of Goodyear Rubber Factory

Date 1880-1890

Primary Maker Unknown

Medium Photography; albumen print on paper

Description A group of men and a few boys posed for a picture outside, on a grassy lawn, in front of a brick building. Some are seated, some are standing. Some of the men are holding hats, most appear to be bowlers, on their knees. Two men standing at either end of the group are wearing long coats and hats or hoods, that are probably made of rubber or similar material. They appear to be raincoats. There are several windows visible, and a ladder leaning up against the building.
