Title Girl's Dress

Date about 1880-1890

Primary Maker Florence Danielson

Medium Machine-stitched cotton, with mother of pearl buttons

Description Small girl's dress of white herringbone twill-woven cotton. The dress is constructed with princess seams, which are inserted with narrow strips of scalloped whitework embroidered edging. The round neckline is edged with a ruffle of scalloped whitework under a binding of self-fabric. The two-piece sleeves are stitched smoothly into the armholes. They end in turned-back cuffs of scalloped whitework. The bottom of the dress is edged with flat scalloped whitework. The center back opening extends the length of the dress and fastens with seven mother of pearl buttons.
