

Basic Detail Report

Title Store Building for Dr. J.H. Naylor et. al., 1795 Park Street, Hartford

Date 6-13 May 1939

Primary Maker John J. McMahon

Medium Drawings, blueprint; pencil, colored pencil, and cyanotype on paper, tracing paper

Description Plans and elevations for a commercial building housing seven separate stores or shops. Plot plans indicate the position of driveways and sidewalk gratings. Other plans show separate cellars for each of the seven stores. Construction notes give details for brick walls, plate glass shop windows, concrete floors, toilets, lighting fixtures, hardware, flooring, doors, ceilings, and roof.

Dimensions Primary Dimensions (image height x width): 18 x 33 3/8in. (45.7 x 84.8 cm) or smaller Sheet (height x width): 20 x 34 5/8in. (50.8 x 87.9cm) or smaller
