

Basic Detail Report

Title Pair of Earrings

Date 1960-1975

Primary Maker Hazel E. Tryon

Medium Gold-toned metal, enamel, faceted iridescent beads, and plastic discs

Description Clip earrings of gold-colored metal with filagree discs. Attached to the discs are three flowers made of light blue, enamelled metal. Each flower has as faceted iridescent bead at its center. A fourth crystal bead is attached directly to each disc, as is a small, green, enamelled piece of metal shaped like leaves. Each earring has a plastic disc attached to the clip for comfort.

Dimensions Primary Dimensions (diameter): 7/8in. (2.2cm)
