

# Basic Detail Report

## Title Pair of Earrings

Date 1960-1975

Primary Maker Hazel E. Tryon

Medium Gold-tone metal with faux pearls, beads flecked with gold color, and coated iridescent beads

Description Clip-on earrings with large gold-colored discs to which a cluster of beads is attached. These beads consist of round, faux pearls, gold-flecked beads, and coated, faceted iridescent beads around the outside. The inner beads are a string of small, clear, round beads and one central oval-shaped bead with gold-colored filagree fastenings at each end.

Dimensions Primary Dimensions (diameter): 1in. (2.5cm)
