

# Basic Detail Report

## Title Pair of Earrings

Date 1955-1975

Primary Maker Hazel E. Tryon

Medium Gold-tone metal, faux pearls and clear beads, both round and faceted

Description Clip-on, gold-tone metal earrings with a small circular disc which is attached to twelve small, faux pearls, six larger pearls, and six clear beads around a central large faceted clear bead. Small beads and pearls, along with larger pearls, seem to form a snowflake shape.

Dimensions Primary Dimensions (diameter): 7/8in. (2.2cm)
