# Basic Detail Report

Description Three-quarter-length portrait of a woman seated in an ornately

carved chair. She wears a striped dress with a V-shaped waistline. The fabric for

the bodice was cut diagonally and pieced together. The short sleeves are

composed of two layers of lace, possibly eyelet lace, with floral appliqués. A rose

is pinned at her breast, and she holds a matching rose in her left hand. She holds

a handkerchief in her right hand. A strand of pearls or beads is in her hair. A large

bouquet of flowers in an urn or vase is on a table in the right background. In the

background is a wall with unusual patterned wallpaper or stenciling.
