

Basic Detail Report

Title Washington

Date 1844

Primary Maker William H. Brown

Medium Lithography; black and tan printer's inks on wove paper

Basic Detail Report

Description A profile silhouette of Washington surrounded by an oval carved

frame rests on a ledge in a rocky cliff. A bald eagle with spread wings is perched

on the top of the frame. The name "WASHINGTON" appears on the rock at the

left. Birds, presumably gulls, fly above the ocean at the right. A sailing vessel is

just visible on the horizon. Streaks of cloud are in the sky.

Dimensions Primary Dimensions (image height x width): 14 3/16 x 10 3/4in. (36 x

27.3cm) Sheet (height x width): 16 1/2 x 11 15/16in. (41.9 x 30.3cm)
