# Basic Detail Report

Description Six children stand behind a board fence in dilapidated condition.

The boy in the center wears a long sleeved, high-waisted jacket attached with buttons to a pair of long trousers. His cap lies on the ground at his feet, near what may be a paper sack of candies or marbles. He has a collar in the form of a ruff and a ribbon bow at this neck. A small girl wearing a dress, a pinafore, and a broad-brimmed straw hat holds his right arm. A second boy leans on his left shoulder. Another small boy kneels at the left. A second girl at the right wears a dress with short puff sleeves, an apron, and a bonnet. She carries a baby on her back. At the left, a boy wearing long pants, suspenders, and a shirt, is rolling up the sleeve on his left arm and threatening the boy in the center with his fist. His coat and hat lie on the ground. A hoop and stick lie behind him. An additional boy stands on the far side of the fence, holding a jug with a cork in it on his left shoulder. Hollyhocks grow at the far right. Ivy grows on the chimney of a cottage with a thatched roof. A casement window in the gable is open. Additional houses and the square tower of a Gothic church are visible in the left background. A figure, probably a woman, stands on a porch, looking towards the children.
