Basic Detail Report

Description An elderly man with a beard and mustache is seated in a dungeon

surrounded by lions. He wears a long cloak or robe over a long-sleeved shirt or

tunic and short boots. His hands are raised, as if in surprise. A wicker basket,

containing leaves and a small oval object, possibly a loaf of bread, is at the right.

Two bones are nearby. A male lion is seated at the left. A second lion lies behind

him. A third male lion is in the background, beneath one of the stone arches of

the dungeon. Iron grilles occupy the three arched openings that are visible. An

angel is seated at the upper left, above the arches, pointing upwards with his

right hand, and gesturing downwards with his left. Rays of light break through

the clouds between his wings. A tall stone building is in the right background.
