Description Five boys wearing jackets and pants, possibly school uniforms, stand or walk on a path between clipped hedges, in front of a brick school building with a cupola. One of the boys holds a book. A sixth boy, at the far right, wears a jersey and appears to be running. Flowering shrubs, apparently hydrangeas, grow on the grassy lawns. An evergreen tree is at the far right. Deciduous trees are in the background. Vines grow on the central building. A second building, with a hip roof, is partially visible at the far left.
