

# Basic Detail Report

## Title Moore's Grist Mill.

Date late 19th century

Primary Maker Nelson Augustus Moore

Medium Drawing; black ink and pencil on wove paper

Description A frame building is located on the far side of a mill pond. A bridge with stone abutments crosses a stream in the right background. Water flows over a low stone mill dam in the left foreground. Trees, including evergreen trees, are in the background. Birds fly in to land in the branches of a leafless deciduous tree near the mill. A single bird sits on a leafless branch in the right foreground.

Dimensions Primary Dimensions (image height x width): 4 13/16 x 7 11/16in.

(12.2 x 19.5cm) Sheet (height x width): 8 1/2 x 11 1/8in. (21.6 x 28.3cm)
