

Basic Detail Report

Title Saucer

Date about 1810-1820

Primary Maker Unknown

Medium Wheel-thrown Chinese export porcelain with gilding and overglaze

enamels in pink, green, black, orange, and red

Description Round, Chinese export porcelain saucer with hand-painted gilding and overglaze enamels in pink, green, black, orange, and red. A pink flower with green leaves is painted in the center of the saucer. There is a narrow border at the rim, consisting of a band of orange with red lines on either side. The band of orange is decorated with fine lines of gilding in a geometric pattern.

Dimensions Primary Dimensions (diameter): 5 3/8in. (13.7cm)
