

Basic Detail Report

Title Cup Plate

Date early 20th century

Primary Maker Philander Johnson Beach

Medium Mechanically-molded earthenware with green underglaze decoration

Description Small, round, earthenware cup plate with a slightly-scalloped rim.

The cup plate has a green, transfer-printed border at the rim, consisting of flowers and leaves on a partial field of green. There is a large chip in the rim, revealing the ceramic below and three stilt marks on both the top and bottom of the cup plate. Additionally, there is a short, horizontal crack in the rim.

Dimensions Primary Dimensions (diameter): 2 15/16in. (7.5cm)
