highlighted with purple enamel and green leaves. The center of the large flowers are delineated with blue dots arranged in a semi-circle. The handles and spouts in this set, not found on every object, are in the shape of branches or acorns. The intersection of spouts, handles, and the body of the ceramic are decorated with raised and gilded leaves, probably oak leaves. The entire set is also decorated with bands of gilding at the rim and feet. The eight teacups are each decorated with the border of pink flowers on green vines just below the rim. Each teacup has a molded and applied handle with gilding. There is gilding at the foot and rim of each teacup, as well as a circular band of gilding found on the bottom of the inside of each teacup. The gilding is worn on all of the teacups, especially at the rim and inside. Teacup .16a has a hairline crack at the rim that runs down the side.
