

# Basic Detail Report

**Title** St. Vincent's Hospital, Bridgeport

Date 1912-1913

Primary Maker John J. McMahon

Medium Drawings; black ink on paper

Description Drawings include plans for heating, plumbing, lighting, third story alteration, concrete ceiling, steel beams in ceiling, and elevations for north, east, south, front sides. Plans include operation room, ward rooms, sun room, diet kitchen, new waste stacks, private room, iron beams and reinforcing bars.

Elevations show nine bays, third floor only with a low, hipped roof. Most windows on north side are one over one double hung sash with flat lintel and keystone or semicircular lintel with keystone. The drawings also show copper leader, plate glass and tiled floor. Scale for drawings is  $1/4" = 1'0"$ .

Dimensions Sheet (height x width):  $25 \frac{3}{4} \times 35 \frac{3}{4}$ in. (65.4 x 90.8cm)
