Title Cocktail Shaker

# Basic Detail Report

Date 1930-1940

Primary Maker Unknown

Medium Pressed colorless glass, silver

Description Pressed colorless glass cocktail shaker with a plain, round rim, thick and slightly tapered sides, and a round inset bottom. About an inch and a half below the rim, two silver bands, about an inch apart, circle the outside of the shaker. Below the lower band are three narrower, closely spaced bands. The cocktail shaker reflects the Art Deco and Moderne styles of the 1930s. There are some light scratches on the exterior.
