

Basic Detail Report

Title Basket

Date about 1760-1775

Primary Maker Nathan Hale

Medium Wicker-woven sticks, with glass and newspaper

Description Tall, oval camp basket made of woven sticks. The handle goes over the top, across the narrow width of the basket. The basket is divided into two

Basic Detail Report

sides on the interior, each one lined with hay. On one side, the remains of a

broken bottle were found. The shape of the basket seems to indicate that it was

used to hold wine or liquor bottles.

Dimensions Primary Dimensions (height x width x depth): 20 1/2 x 15 1/4 x 9 3

/4in. (52.1 x 38.7 x 24.8cm)
