

# Basic Detail Report

## Title Covered Basket

Date 1825-1826

Primary Maker Nipmuc People

Medium Plain-woven ash and oak

Description Large, rectangular covered storage basket made of plain-woven ash and oak. The rectangular rim is double reinforced, with half-round interior reinforcement and fat, flat exterior reinforcement. The warp and weft splints are medium to wide. The basket is painted with open geometric designs and stamped. Part of the designs are Spanish brown; they are outlined in bluing. The cover (.b) is flat and half-round.

Dimensions Primary Dimensions (approximate height x width x depth): 13 1/2 x 23 x 18in. (34.3 x 58.4 x 45.7cm)
