

# Basic Detail Report

## Title Set of Trick Rings

Date 1858

Primary Maker Albert G. Walker

Medium Brass

Description Set of eight trick rings made of brass. Four of the rings are closed (.b-.e). The other four (.a, .f-.h) appear to be closed, but they each have an opening where the ends of the metal forming the ring are not fused.

Dimensions Component (diameter of largest ring, .b): 6 9/16in. (16.7cm)

Component (diameter of smallest ring, .g): 6 3/16in. (15.7cm)
