

# Basic Detail Report

## Title Balls

Date 1858

Primary Maker Albert G. Walker

Medium Wood and black paint

Description Two small wooden balls covered with black paint. The balls are not perfectly spherical; the top and bottom of each ball are slightly rough and have an indentation, where they may have been gripped while being turned. Ball .b has a few thin spots in the paint, where you can catch glimpses of the light colored wood underneath.

Dimensions Primary Dimensions (approximate diameter of each ball): 1 1/4in.  
(3.2cm)
