

# Basic Detail Report

## Title Fabric Panel

Date 1858

Primary Maker Albert G. Walker

Medium Hand-stitched, twill-woven cotton (canvas)

Description Fabric panel hand-stitched of bronze colored twill-woven cotton.

The top and bottom edge are hemmed with thick, dark brown thread. The last 1 1/2 inch of each short side is folded over and hemmed with a double row of dark brown stitching. Each fold creates an opening at the end, possibly to slide a pole into, to suspend the panel.

Dimensions Primary Dimensions (height x width): 6 1/2 x 32 7/8in. (16.5 x 83.5cm)
