

## **Title Bottle**

Date 1810-1840

Primary Maker Goodwin & Webster

Medium Wheel-turned stoneware with a brown slip glaze

## **Basic Detail Report**

Description Ovoid, stoneware bottle with a double-ring at the rim, a tapered neck, a low sloping shoulder, a tapered lower body, and a flat bottom. A pair of incised lines circle the top of the shoulder; immediately below the lines is an impressed maker's mark that reads, "GOODWIN/ &/ WEBSTER". The bottle is coated with a dark red-brown slip glaze. The glaze is marred slightly below the mark.

Dimensions Primary Dimensions (height x diameter):  $9\ 1/2\ x\ 4\ 1/2$ in. (24.1 x 11.4 cm)
