## Title Dustpan

Date 1920-1940

Primary Maker The Fuller Brush Company

Medium Black-painted metal

Description Rectangular, black-painted metal dustpan with two flat, open sides.

One short end has a low, angled side. The back of the dustpan has a lip that angles forward over the flat body of the dustpan. On the top of the outside of the back, a curved metal handle is attached. The flat short side of the dustpan has a hole cut at the edge, probably for hanging. Just below the hole, the dustpan is stamped, "FULLER [inside an oval border]".
