sampler is rectangular, oriented vertically. It is laid out with 15 rows of family record information, over an inscription. The inscription is "MARY BIDWELL IS MY NAME/ ENGLISH IS MY NATION/ HARTFORD IS MY DWELLING PL/ AND CHRIST IS MY SALVATION". The register is solidly stitched in green. There is a four-sided border. The only visible ground is at all four edges, which has been cut close to the worked area. The register is attached with small stitches to a green piece of linen. The linen is wrapped completely around a sturdy surface of unknown material. The sampler is not framed. Letters and Numbers: All letters are capitalized. Stitches: The sampler is worked in cross stitches over two threads. Condition: The register has been removed from its original mount, cut down at each edge, and sewn to a piece of green fabric on a rectangular mount. There are some areas of the embroidery that appear dull; this may be due to fading or water damage. The sampler is not framed.
