

Basic Detail Report

Title Trade Token

Date 1880-1910

Primary Maker Henry's Tavern

Medium Probably nickel-plated copper, encased in paper mount

Description Hexagonal token, probably made of nickel-plated copper. The token is encased in a white paper mount. The mount has a clear plastic window on each side to display both sides of the token. Raised letters on one side of the token read, "HENRY'S TAVERN/ 257/ WINDSOR/ ST./ HARTFORD, CONN." Raised letters on the opposite side read, "GOOD FOR/ 5¢/ IN TRADE". Both sides of the token have a dotted border running around the edge.
