Title Electrical Junction Box and Original Box

Date 1950s

Primary Maker Arrow-Hart & Hegeman Electric Co.

Medium Junction Box (.a): Black bakelite plastic. Box (.b-.c): Paper printed with yellow, red, and black ink.

Description Cylindrical, black bakelite plastic junction box in the original paper box. The junction box (.a) has four punch-outs spaced evenly around the sides, to attach conduits to it. The junction box is hollow. Four screws accompany the junction box, for screwing on a separately packaged junction box lid (2003.334.2 a,b). The two-piece box has a plain cardboard bottom (.c), and a printed cardboard lid (.b). The lid is yellow, printed with a pattern of red circles. Inside every circle is printed, "ARROW/ AH/ HART". A yellow paper label affixed to the
