

Basic Detail Report

Title Winter Evening

Date 1936

Primary Maker Ernest Fiene

Medium Offset lithography; printer's ink on wove paper

Description Two deer, a doe and a fawn, stand in the snow in the right foreground. A stone wall is in the left foreground. Buildings, including what appear to be the outbuildings of a farm, and a road or river are in the left background. A church and the buildings of a small town are in the right background. Clumps of leafless trees dot the snow-covered fields. Hills are in the distance. Clouds are in the sky.

Dimensions Primary Dimensions (image height x width): 7 1/8 x 10 3/4in. (18.1 x 27.3cm) Sheet (height x width): 9 5/8 x 12 11/16in. (24.4 x 32.2cm)
