

# Basic Detail Report

## Title Illuminated Dustpan

Date 1882

Medium Galvanized tin

Description Galvanized tin dustpan with a candleholder built into the handle.

The handle is constructed so that the toe of one's shoe could be inserted from any of three directions to apply pressure to the dustpan. There is a paper label beneath the handle with instructions on how to use the dustpan.

Dimensions Primary Dimensions: 5 5/8 x 12 3/4 x 11 7/8in. (14.3 x 32.4 x 30.2cm)
