

# Basic Detail Report

## Title Additions to Wetherfield Avenue School

Date 1913

Primary Maker Whiton & McMahon

Medium Drawings; pencil on paper, black and red ink on linen

Description Drawings include plans for plot, first floor, roof, basement, and elevations for front, side. Also section of classroom. Plans include curb line, Wethersfield Avenue, stairway, classroom, slate roof, scuttle and tin. Elevations show five bay, three story building with hipped roof and galvanized iron cornice. Windows are one over one double hung sash with round lintels. The building connects with a two bay, three story building with flat roof. Entrances either have pediment with gable or crow step roof, depending on the drawing. Scale for drawings is 1" = 24' 0".

Dimensions Sheet (height x width): 30 x 35 1/4in. (76.2 x 89.5cm)
