

Basic Detail Report

Title Church Elevations

Date 1938

Primary Maker John J. McMahon

Medium Blueprints; cyanotype on paper, yellow pencil

Description Blueprints include a sketched plan of the plot and elevations of the front of a church. The 2 1/2 story building has a four column entrance with pediment. The entrance has three doors under a bell tower with lantern. The windows are multipaned and quoins flank the sides of the projecting facade and recessed facade. Scale for drawing is 1/8" = 1'0".

Dimensions Sheet (height x width): 14 3/4 x 19 7/8in. (37.5 x 50.5cm)
